1. System Overview

The **NDELIKI LIMITED Loan Management System (LMS)** is a web-based application designed to streamline the entire loan lifecycle — from borrower registration and loan origination to payment collection, reporting, and auditing.

Key Features

- **Borrower Management** — Register, view, and manage borrower profiles with KYC information
- **Loan Origination** — Create loans with configurable products, interest methods, and repayment schedules
- **Payment Processing** — Record payments via Cash, M-Pesa, Bank Transfer, or Cheque
- **Repayment Schedules** — Automatic generation of Flat Rate or Reducing Balance schedules
- **Comprehensive Reports** — Portfolio summary, collections, overdue tracking, and officer performance
- **User Management** — Role-based access control with five distinct roles
- **Audit Trail** — Complete logging of all system actions for compliance
- **Responsive Design** — Works on desktop, tablet, and mobile browsers

System Requirements

Requirement	Details
Browser	Google Chrome (v90+), Mozilla Firefox (v90+), Microsoft Edge (v90+), Safari (v14+)
Internet	Stable internet connection required
Screen	Minimum 320px width (mobile compatible)

2. User Roles & Permissions

The system uses role-based access control (RBAC). Each user is assigned a role that determines what they can see and do.

Role	Description	Access
System Admin	Full system administrator	All modules — Dashboard, Borrowers, Loans, Payments, Reports, Users, Audit Log
Loan Officer	Manages borrowers and loan operations	Dashboard, Borrowers, Loans, Payments, Reports
Accountant	Financial operations & reconciliation	Dashboard, Borrowers, Loans, Payments, Reports
Borrower	Self-service portal (future)	Dashboard, own profile & loans
Investor	Portfolio monitoring (future)	Dashboard, funded loans view

> ℹ️ **Note:**
> Only System Admins can access **User Management** and **Audit Log** modules.

3. Getting Started — Login

Default Login Credentials

Account	Email	Password	Role
Administrator	`admin@ndeliki.co.ke`	`Admin@2026!`	System Admin
Loan Officer	`officer@ndeliki.co.ke`	`Officer@2026!`	Loan Officer

> ⚠️ **Security Notice:**

> Change default passwords immediately after first login for security. Go to **Profile → Change Password**
>
> .

How to Login

1. 1 Open the application URL in your web browser
2. 2 Enter your **Email** address
3. 3 Enter your **Password** (click the eye icon to show/hide)
4. 4 Click **"Sign in"**
5. 5 You will be redirected to the **Dashboard**

> 🔑 **Forgot Password?**
>
> Contact your System Administrator to reset your password.

4. Dashboard

The Dashboard provides a real-time overview of your loan portfolio at a glance.

Key Metrics (Top Row)

Card	Description
Total Borrowers	Total registered borrowers, with active count shown below
Active Loans	Currently active loans, with pending approval count shown below
Total Outstanding	Total amount still owed across all loans (in KES)
Overdue Loans	Number of loans past due — flagged as "Requires attention"

Monthly Summary

- **Disbursed This Month** — Total amount and number of loans disbursed in the current month
- **Collected This Month** — Total payments collected and number of transactions this month

Monthly Trend Chart

A 12-month bar chart comparing **Disbursed** vs. **Collected** amounts. Hover over bars to see exact figures.

Recent Activity

- **Recent Loans** — Last 5 loans created (click any row to view loan details)
- **Recent Payments** — Last 5 payments received (click "View all" for full list)

5. Borrower Management

5a. Viewing Borrowers

Navigate to **Borrowers** in the sidebar to see all registered borrowers.

List Columns

Column	Description
Name	Borrower's full name (First + Last)
Phone	Primary phone number
National ID	Kenyan national ID number
County	County of residence
Risk	Risk rating: LOW **MEDIUM** HIGH
Loans	Number of loans associated
Registered	Date the borrower was registered

Actions

- **Search** — Type in the search box to filter by name, phone, or National ID
- **Add Borrower** — Click the blue "Add Borrower" button (top right)
- **View Profile** — Click any row to open the borrower's profile
- **Pagination** — Navigate between pages using Previous/Next buttons (20 per page)

5b. Adding a New Borrower

Click **"Add Borrower"** from the Borrower List page to open the registration form.

Form Fields

Section	Field	Required	Notes
Personal Information	First Name	✅ Yes	
	Last Name	✅ Yes	
	Phone	✅ Yes	Format: 07XX XXX XXX
	Alternative Phone	No	Secondary contact number
	National ID	✅ Yes	Kenyan National ID
	Email	No	
	Date of Birth	No	Date picker
	Gender	No	Male / Female / Other
Address	Physical Address	No	
	County	No	e.g., Kilifi, Mombasa, Nairobi
	Sub-County	No	
	Ward	No	
Employment & Income	Occupation	No	
	Employer	No	
	Monthly Income (KES)	No	Numeric value
	Risk Rating	No	Low / Medium / High (default: Medium)
Next of Kin	Name	No	Emergency contact person
	Phone	No	
	Relationship	No	e.g., Spouse, Parent, Sibling
Additional	Notes	No	Free-text notes about the borrower

Steps to Register

1. 1 Fill in at least the **required fields** (First Name, Last Name, Phone, National ID)
2. 2 Complete optional sections as available (address, employment, next of kin)

3. 3 Click **"Save Borrower"**
4. 4 You will be redirected to the borrower's profile page

5c. Borrower Profile

The profile page shows complete borrower information and loan history.

Profile Sections

- **Header** — Full name, National ID, Active/Inactive status badge, Risk rating badge
- **Statistics Cards**:
  - Total Loans — number of loans ever taken
  - Active Loans — currently active loans
  - Total Disbursed — total amount ever disbursed (KES)
  - Outstanding — current total balance owed
- **Personal Information** — Name, Gender, Date of Birth, National ID, Registration date
- **Contact Information** — Phone, Alternative Phone, Email
- **Address** — Physical Address, County, Sub-County, Ward
- **Employment & Income** — Occupation, Employer, Monthly Income, Risk Rating
- **Next of Kin** — Name, Phone, Relationship
- **Loan History** — Table of all loans with loan number, product, principal, outstanding, status, and date

Actions from Profile

- **New Loan** — Click to create a loan pre-linked to this borrower
- **Click any loan row** — Navigate to loan detail page

6. Loan Management

6a. Viewing Loans

Navigate to **Loans** in the sidebar to see all loans in the system.

List Columns

Column	Description
Loan #	Unique loan reference number (e.g., NDL-2026-0001)
Borrower	Borrower's full name
Product	Loan product name
Principal	Loan principal amount (KES)
Outstanding	Remaining balance (displayed in red if > 0)
Status	Current loan status (see Loan Lifecycle below)
Disbursed	Date of disbursement
Maturity	Expected completion date

Filters

- **Search** — Filter by loan number or borrower name
- **Status Filter** — Dropdown to show: All, Pending, Approved, Active, Overdue, Closed, Defaulted, Rejected

6b. Creating a New Loan

Click **"New Loan"** from the Loan List or from a Borrower Profile.

Step-by-Step Process

1. 1 **Select Borrower**

   Type at least 2 characters (name, phone, or ID) to search. Select the borrower from the dropdown. A card will appear showing their details.

2. 2 **Select Loan Product**

   Choose a product from the dropdown. This auto-fills the interest rate, duration unit, repayment frequency, and interest method.

3. 3 **Enter Principal Amount**

   Enter the loan amount in KES. Must be within the product's min–max range.

4. 4 **Review/Adjust Terms**

   Adjust interest rate, duration, repayment frequency, or interest method if needed.

5. 5 **Preview Schedule** (Recommended)

   Click **"Preview Schedule"** to see the full repayment breakdown before submitting:

   - Summary: Principal, Total Interest, Total Due, Installment Amount
   - Full schedule table with due dates and amounts

6. 6 **Add Purpose & Notes** (Optional)

   Enter the loan purpose (e.g., "Business expansion") and any notes.

7. 7 **Submit**

   Click **"Create Loan"**. The loan will be created in **PENDING** status.

Loan Form Fields

Field	Required	Description
Borrower	✅ Yes	Search and select from registered borrowers
Loan Product	✅ Yes	Pre-configured loan template
Principal Amount	✅ Yes	Loan amount in KES
Interest Rate (% p.a.)	✅ Yes	Annual interest rate
Duration	✅ Yes	Number + unit (Days / Weeks / Months)
Repayment Frequency	No	Daily / Weekly / Bi-Weekly / Monthly
Interest Method	No	Flat Rate / Reducing Balance
Purpose	No	Reason for the loan
Notes	No	Additional information

6c. Loan Details & Actions

Click any loan row to view its full details, repayment schedule, and payment history.

Loan Summary Cards

Card	Description
Principal	Original loan amount
Interest	Total interest (with rate shown)
Total Paid	Amount paid so far (green)
Outstanding	Remaining balance (red if > 0)

Available Actions (by loan status)

Current Status	Action	Who Can Do It	What Happens
PENDING	Approve	Admin, Officer	Loan moves to APPROVED status
PENDING	Reject	Admin, Officer	Prompts for reason; loan moves to REJECTED
APPROVED	Disburse	Admin, Officer	Funds released; loan moves to ACTIVE; repayment schedule starts
ACTIVE	Record Payment	Admin, Officer	Opens payment form pre-linked to this loan
ACTIVE	Write Off	Admin only	Prompts for reason; loan marked as DEFAULTED

Repayment Schedule

Shows the full installment breakdown:

- **Installment #** — Sequential number
- **Due Date** — When payment is due
- **Principal** — Principal portion
- **Interest** — Interest portion
- **Total** — Total installment amount
- **Paid** — Amount already paid (green)

- **Status** — Paid / Pending / Overdue

> 🔴 **Overdue Indicator:**
> Overdue installments are highlighted with a red background for easy identification.

Repayment Progress Bar

For active loans, a green progress bar shows the percentage of the total amount that has been repaid.

Payment History

Lists all payments made against this loan: Payment #, Date, Amount, Method, Reference, and Status.

6d. Loan Lifecycle

Every loan follows this workflow:

Stage	Status	Description
1	PENDING	Loan application submitted, awaiting review
2a	APPROVED	Loan approved, awaiting disbursement
2b	REJECTED	Loan application denied (with reason)
3	ACTIVE	Funds disbursed, repayment in progress
4a	OVERDUE	One or more installments past due
4b	CLOSED	Fully repaid — loan completed successfully
4c	DEFAULTED	Written off as unrecoverable

7. Payment Management

7a. Viewing Payments

Navigate to **Payments** in the sidebar to see all recorded payments.

List Columns

Column	Description
Payment #	Unique payment reference
Loan #	Associated loan number
Borrower	Borrower's name
Amount	Payment amount (KES)
Method	Cash / M-Pesa / Bank Transfer / Cheque / Other
Reference	Transaction reference (e.g., M-Pesa code)
Date	Payment date
Status	COMPLETED or REVERSED

Filters

- **Search** — Filter by payment # or loan #
- **Status** — All / Completed / Reversed
- **Method** — All / Cash / M-Pesa / Bank Transfer / Cheque / Other

7b. Recording a Payment

Click **"Record Payment"** from the Payment List or from a Loan Detail page.

Step-by-Step Process

1. 1 **Select Loan**

   Type at least 2 characters to search by loan number or borrower name. Only **ACTIVE** loans appear in results. If you came from a loan detail page, the loan is pre-selected.

2. 2 **Review Loan Info**

   A card shows the loan details: Loan #, Borrower, Principal, Total Paid, and Outstanding balance.

3. 3 **Enter Amount**

   Enter the payment amount in KES. Use the **quick-fill buttons**:

   - **"Full: KES X"** — Sets amount to the full outstanding balance
   - **"Half: KES X"** — Sets amount to half the outstanding (shown only if balance > KES 1,000)

4. 4 **Select Payment Method**

   Choose: Cash, M-Pesa, Bank Transfer, Cheque, or Other

5. 5 **Enter Payment Date**

   Defaults to today. Change if recording a backdated payment.

6. 6 **Add Reference & Notes** (Optional)

   Enter the M-Pesa transaction code, bank reference, or cheque number.

7. 7 **Submit**

   Click **"Record Payment"**. The payment is recorded and loan balance is updated.

> ✅ **Tip:**
>
> When a payment covers the full outstanding balance, the loan status automatically changes to
> **CLOSED**
>
> .

8. Reports

Navigate to **Reports** in the sidebar. The Reports page has **four tabs**:

Tab 1: Portfolio Summary

Overview of the entire loan portfolio.

- **Summary Cards** — Total Loans, Total Disbursed, Total Outstanding, Total Collected
- **By Status** — Breakdown table showing count, principal, and outstanding for each loan status
- **By Product** — Breakdown table showing count, principal, and outstanding for each loan product

Tab 2: Collections

Payment collection analysis with date filtering.

- **Date Range Filter** — Select From and To dates (defaults to current month)
- **Summary Cards** — Total Collected, Transaction Count, Average Payment
- **By Payment Method** — Breakdown by Cash, M-Pesa, Bank Transfer, etc.
- **Daily Breakdown** — Day-by-day collection amounts (scrollable table)

Tab 3: Overdue

Lists all overdue loans requiring attention.

Column	Description
Loan #	Loan reference number
Borrower	Borrower's name
Outstanding	Total remaining balance
Overdue Amount	Amount past due (red)
Days Overdue	Number of days overdue (color-coded)
Phone	Borrower's phone for follow-up

> 🔴 **Color Coding:**
>
> Rows are highlighted

> **red**
> if overdue >30 days,
> **yellow**
> if overdue >7 days, to prioritize follow-up actions.

Tab 4: Officer Performance

Performance metrics for loan officers with date filtering.

Column	Description
Officer Name	Loan officer's name
Loans Created	Number of loans originated
Total Disbursed	Total disbursed amount (KES)
Active Loans	Current active loans count
Collections	Total payments collected (green)

9. User Management (Admin Only)

> ℹ️ **Access:**
> This module is only accessible to users with the **System Admin** role.

Navigate to **Users** in the sidebar to manage system users.

User List

Column	Description
Name	User's full name
Email	Login email address
Phone	Contact phone number
Roles	Assigned role(s) — shown as blue badges
Status	Active or Inactive
Last Login	Most recent login timestamp
Actions	Edit and Activate/Deactivate buttons

Creating a New User

1. 1 Click **"Add User"**
2. 2 Fill in the form:

Field	Required	Notes
First Name	✅ Yes	
Last Name	✅ Yes	
Email	✅ Yes	Must be unique
Phone	No	
Password	✅ Yes	Minimum 8 characters
Role	✅ Yes	System Admin / Loan Officer / Accountant / Borrower / Investor

3. 3 Click **"Create"**

Editing a User

Click the **pencil icon** on any user row to edit their name, email, phone, or role. Password cannot be changed through this form.

Activating / Deactivating a User

Click the **activate/deactivate button** to toggle user status. A confirmation dialog will appear. Deactivated users cannot log in.

10. Audit Log (Admin Only)

> ℹ️ **Access:**
> This module is only accessible to users with the **System Admin** role.

The Audit Log records every action performed in the system for compliance and accountability.

Log Columns

Column	Description
Timestamp	Date and time of the action
User	Who performed the action (or "System")
Action	Type of action (color-coded badge)
Entity	What was affected (User, Borrower, Loan, Payment, etc.)
Entity ID	Identifier of the affected record
Details	Description of what changed
IP Address	IP address of the user

Action Types & Colors

Badge Color	Actions
Green	CREATE, APPROVE, DISBURSE, PAYMENT
Blue	UPDATE, LOGIN
Red	DELETE, REJECT, REVERSAL
Yellow	WRITE_OFF
Gray	LOGOUT

Filters

- **Action** — Filter by action type (Create, Update, Delete, Login, etc.)
- **Entity** — Filter by entity type (User, Borrower, Loan, Payment, Loan Product)
- **Date Range** — Filter by From and To date
- **Clear** — Reset all filters

11. Loan Products (Pre-configured)

The system comes with two pre-configured loan products:

Product	Interest Rate	Method	Duration	Frequency	Amount Range
Weekly Flat Rate	30% (total)	Flat Rate	1–52 Weeks	Weekly	KES 1,000 – 100,000
Monthly Reducing Balance	24% (annual)	Reducing Balance	1–24 Months	Monthly	KES 5,000 – 500,000

Interest Methods Explained

Method	Description	Best For
Flat Rate	Interest is calculated on the original principal amount for the entire loan duration. Each installment has the same amount.	Short-term loans, simple calculations
Reducing Balance	Interest is calculated on the remaining (reducing) principal balance. Earlier installments have higher interest portions, later ones have lower.	Long-term loans, lower total interest cost

12. Troubleshooting & FAQ

Issue	Solution
Cannot log in	Verify your email and password. Passwords are case-sensitive. If locked out, contact a System Admin to reset your credentials or check if your account is deactivated.
Page shows "Loading..." indefinitely	Check your internet connection. Try refreshing the page (Ctrl+F5). Clear browser cache if the issue persists.
Cannot see certain menu items	Menu visibility is role-based. Only System Admins can see Users and Audit Log. Contact your admin if you need additional access.
Cannot approve or disburse a loan	Only System Admins and Loan Officers can approve/disburse loans. The loan must be in the correct status (PENDING → Approve, APPROVED → Disburse).
Cannot find a borrower when creating a loan	You must type at least 2 characters. Search works on name, phone, and National ID. Ensure the borrower has been registered first.
Cannot record a payment	Payments can only be recorded against **ACTIVE** loans. Ensure the loan has been approved and disbursed first.
Loan shows as "Overdue"	One or more installments are past their due date. Record a payment to bring the loan current, or contact the borrower for follow-up.
"Write Off" button not visible	Only System Admins can write off loans. The loan must be in ACTIVE status.
Data appears outdated	The Dashboard and lists refresh on page load. Navigate away and back, or refresh the browser.

Keyboard Shortcuts

Shortcut	Action
`Ctrl` + `F5`	Hard refresh (clears cache)
`Tab`	Navigate between form fields
`Enter`	Submit forms / confirm dialogs
